## SEWP IV Contract

Technica is proud to support the Department of Defense, federal agencies and their authorized contractors as a prime contract holder of the Solutions for Enterprise-Wide Procurement Contract (SEWP IV). SEWP IV is a Government-Wide Acquisition Contract (GWAC) providing federal agencies and their authorized contractors with IT products and product-related services. Technica, previously a SEWP III contract holder, is pleased to offer innovative IT solutions in conjunction with a variety of manufacturers via SEWP IV.

### The advantages of SEWP IV.

- ▶ Pre-Competed Contract—No need for “3 Quotes”
- ▶ Low 0.45% Contract Fee for government agencies (capped at \$10,000)
- ▶ No Military Interdepartmental Purchase Request (MIPR) required
- ▶ Professional services related to product integration, installation and training

### SEWP IV offers the IT products and services you need.

- ▶ Data, Networking, and NetCentric Solutions
- ▶ Enterprise Software Solutions
- ▶ Security Solutions
- ▶ Unified Communications

**Get the advice you need to complete your solution.**

- ▶ Systems Engineering
- ▶ Software Development
- ▶ Information Assurance

# Technica®
